There's something about the peculiar things in life that have an uncanny knack of delivering a sense of intrigue. It's those unexpected traits, the left-of-centre personalities, the colourful characters that time and again tease our attention. The very nature of a great wine is its unique ability to deliver something a little different. This set of quirky wines is a side-step into a world of unique characteristics, where individuality from the vine is celebrated through the creation of delicious distinctive wines.

in the cellar : The Juliette is made from 100% Sauvignon Blanc and has her roots in the shale soils of the stunning Highfield farm in Elgin, in a vineyard farmed for premium wine. This includes intensive shoot thinning and leaf removal after berry set to allow optimum tropical flavours to develop in the fruit. Grapes were harvested in the cool early morning hours and sorted at cellar.
