

Diemersdal Winter Ferment Sauvignon Blanc 2022

A new world style of Sauvignon Blanc. The wine has intense aromas of gooseberries, tropical fruit and sweet-grapefruit with a core of minerality. The excellent natural acidity creates balance to the concentrated, rich mouth-filling texture.

Enjoy with full-flavoured seafood dishes and creamy soup or blackened, spicy pan-fried fish.

2023 Investec Trophy Wine Show - Silver

Diemersdal's reputation for pushing the boundaries with Sauvignon Blanc is expressed in this innovative wine style. After harvest, the juice for this wine was frozen at -20°C and kept in this state for five months. It was then thawed and fermented in the heart of the Cape winter, producing a uniquely tropical style of Sauvignon Blanc totally unique for South Africa.

about the harvest: Night harvested at 23°B and crushed and destemmed - reductively.

in the cellar :

Skin contact for 3 hours, pressed and settled for 48 hours. The fermentation of this wine was postponed for 5 months before inoculated with CKS yeast. 2 weeks alcoholic fermentation temperature controlled at 14-16°C and was bottled soon thereafter.
