

Spier Good Natured Organic Sauvignon Blanc 2022

This wine is full of gorgeous, typical yet refined aromas of the Sauvignon Blanc grape variety, with abundant grapefruit, litchi and gooseberries. The palate is lively, with well-balanced acidity and bright. The finish is crisp, pure and extremely refreshing.

Feeling peckish? Cast it alongside lemon-drizzled line fish or a Caesar salad.

2023 Mundus Vini Spring Tasting - 87 points

Good Natured Organic Sauvignon Blanc is proof that the less we meddle with nature, the better it gets. This certified organic white was crafted with minimal interference using grapes grown without artificial pesticides or fertilisers. Enjoy this sophisticated yet unfussy star as a solo act: on its own by a sun-drenched pool. Each Good Natured wine has been organically crafted to live up to the high standards for which Spier is known.

in the cellar : The grapes were harvested at night to help maintain freshness and prevent oxidation. The cooled grapes were de-stemmed, slightly crushed, and lightly pressed in the cellar. This cool climate grape's natural acidity levels were respected, with no additional acidity added throughout the winemaking process. The juice was fermented in temperature-controlled stainless-steel tanks. Maturation occurred on the gross lees for four months prior to bottling to give the wine extra elegance, flavour, and freshness.
