Spier Good Natured Organic Shiraz 2021

Each Good Natured wine has been organically crafted to live up to the high standards for which Spier is known. This characterful Shiraz exhibits a warm depth of intense mulberry, plum and sweet spice. The red bramble fruit continues on the palate, ending with a soft, smooth finish.

This is a succulent, generous and rewarding wine which would make for a marvellous pairing with sausages, charcuterie, and tapas.

Good Natured Organic Shiraz shows that when you treat the earth well, it rewards you with goodness. This certified organic red was crafted with minimal interference using grapes grown without artificial pesticides or fertilisers. It offers intense berry and spice flavours and a soft, smooth finish.

in the cellar : The organically-grown grapes were harvested at optimal ripeness, de-stemmed and crushed in stainless steel tanks. Fermentation lasted for up to 12 days on the skins, after which point 20% of the wine was matured in neutral barrels, and the remaining 80% was matured in stainless steel tanks with French-oak staves to complement the wine's flavour profile and length.
