The Whitehall Chardonnay celebrates the legacy of site-selected vineyards, our philosophy is to craft Chardonnay of great purity, reflecting site and the season in which it grew.

in the vineyard : The grapes for this premium Chardonnay is close to the Whitehall farm from where Neil produced the first certified wine from Elgin. These vineyards are positioned on south-facing slopes of which the soil is mainly white mineral sandstone and quartz on a clay sub-base. The vines are trellised and have access to supplementary irrigation.
