in the vineyard : The grapes for this wine are sourced only from the coolest slopes in the Western Cape, enabling only the best Sauvignon grape flavours to be released into the wine.

in the cellar : The grapes were transported in the cool of the morning to the Hoopenburg cellar. Here they were hand-tipped into the press for a long three-hour whole bunch pressing session. After this the juice was cold fermented for 3 weeks in stainless steel tanks. Once dry the wine was racked off its ferment lees and aged for 6 months before being bottled.
