2022 Rosé Rocks - Gold

Softly-styled with fresh and fruity flavours, celebrating a journey with the love of winemaking at heart.

in the cellar : The grapes were harvested by hand and machine at 19° to 22° Balling in January and February. The fruit was crushed and allowed four to six hours of skin contact to extract the delicate rose colour and varietal aromas. The juice was fermented in stainless-steel tanks at 15° to 16°C.
