The Winemasters ensemble, comprising a top-quality range of varietal offerings, is named to honour the Paarl winery's long-established tradition of winemaking excellence. These classically styled, food-friendly wines with abundant fruit flavours, elegance and finesse, treasure the integrity of the grapes in every step of the wine-growing and winemaking journey. Every drop demonstrates an unwavering commitment to world-class vineyard and cellar skills.

in the cellar : The grapes were hand-harvested early in the morning during February, at 20° to 22o Balling. The different components were vinified separately. Minimal skin contact was allowed for less colour extraction. Only free run juice was clarified. Fermentation took place in stainless-steel tanks at 15°C to 16°C. The wine was left on the gross lees for an extended period of two months, to achieve better mouth-feel and palate weight. Varietal-specific yeast was used to aptly reflect the expressiveness of the cultivars and prolong its flavour. Only plant proteins were used during setting and fining, making this wine suitable for vegans and vegetarians.
