

## Domaine Grier Odyssea 2019

Ample and generous with extremely silky tannins. The alternately fruity and spicy flavors have a long persistence and contribute to the overall harmony of this wine.

A typical red blend of the Roussillon Region (Shiraz (50%), Carignan (30%), Grenache (20%) blend). The wine clearly expresses the minerality and spice expected from the vineyard and it is supported by fruit and a hint of aniseed. It is naturally fresh with good palate weight and balance.

**variety** : Shiraz | 50% Shiraz, 30% Carignan, 20% Grenache Noir

**winery** : Villiera Wines

**winemaker** : Raphael Graugnard

**wine of origin** :

**analysis** : alc : 14.0 % vol rs : 1.2 g/l pH : 3.61 ta : 3.34 g/l

**type** : Red **style** : Dry **taste** : Mineral **wooded**

**pack** : Bottle **size** : 750ml **closure** : Cork

This Côtes du Roussillon red blend is made from Mediterranean grape varieties from old vines, and truly represents the expression of "New World" winegrowers on one of the most beautiful terroirs in France.

The name refers to the odyssey (journey) of the Grier family from SA to France to make wine. The elegant label on his bottle traces the Grier family's story through a stylized illustration of a world map, on which the journey between South Africa and the South of France is indicated.

**in the vineyard** : Area of origin: Roussillon, South of France

**in the cellar** : After destemming followed by light crushing, the grapes are pumped to red fermenters directly. Fermentation is then carried out around 26°C and the extraction is achieved by pumping over. The maceration varies in length depending on the grape varieties. After malolactic fermentation, the wines are aged in stainless steel vats to obtain an elegant wine that respects the character of its grape varieties. Bottled after one year of aging.
