

Tokara Reserve Collection Elgin Sauvignon Blanc 2022

The wine displays a stunning light straw colour with a brilliant green edge. The nose opens with aromas of Passion Fruit, Caped Gooseberry, lemongrass and a signature wisp of Blackcurrant leaf. There is an amazing freshness as the wine enters the palate, with flavours aligning with the aromas and leading to a textured mid-palate and a lingering saline finish.

Best served cold and drunk as an aperitif or served with fresh summer oysters, asparagus with hollandaise sauce or fresh grilled yellowtail with salsa verde.

2023 Concours Mondial du Sauvignon - Gold

2022 Global Sauvignon Blanc Masters - Silver

in the vineyard : This 100% Sauvignon blanc is made from grapes grown on Tokara's Highlands farm in Elgin.

in the cellar : Immediately upon arrival the grapes were destemmed, crushed and cold pressed in our inert press (zero air). The press juice and free run juice were kept separate and settled overnight, followed by racking off the next day. Only the free run juice from the best blocks is used for the Reserve Collection Sauvignon blanc. The juice was fermented at 15 degrees Celsius in stainless steel tanks with selected wine yeast. 9% of this blend is made up of wine fermented in 400L 3rd fill barrels and matured there for 5 months. After fermentation the wine was sulphured and left on the lees for five months with regular lees stirring before stabilization, filtration and bottling.

49,540 bottles were produced.
