The Bosman family have a history of growing wine in the Bovenlei of Wellington, dating back to 1810. Through eight generations they have worked hard to create a better life for all who live and work on the farm, rising to challenges and finding solutions, often in the unexpected.

Their approach is progressive and innovative: a plant improvement unit ensures that Bosman remains at the forefront of the development of new, clean plant material and varieties; while their vine nursery ensures a continuous supply of healthy rootstock and vines.

The business model is both holistic and inclusive, fostering self-worth and investing in the potential of everyone. Faith, Hope & Love is the Bosman family motto, and it is a philosophy which the extended farm family live by every single day.
