The Leopard's Leap Culinaria Collection is a celebration of the harmony in which food and wine complement one another. Matching the finest in food with the finest in wine is the very reason behind this exquisite collection - creating optimal enjoyment through mutual enhancement.

in the vineyard : Culinaria Chenin Blanc is certified as Wine of Origin Western Cape. Grapes originate from old dryland bush vines in Darling and Voor-Paardeberg. These areas are acclaimed for producing exceptional Chenin Blanc grapes.

in the cellar : Grapes were hand-picked at optimum ripeness before being de-stemmed, crushed and pressed after a short period of skin contact. The juice was allowed to settle before fermentation which took place between 16 and 18 degrees Celsius in 500-litre second-fill and third-fill French oak barrels. Barrels were topped up and the wine was allowed lees contact for 8 months prior to blending and bottling. Before release, the wine was bottle-matured for 3 months.
