ageing : 1 - 2 years

in the vineyard : Our Gewürztraminer vines are planted in Karoo soils on well-drained mountain slopes. Vines are planted from North West to South East to utilize the prevailing sea breeze. The sea breeze cools down the fruit, extend the ripening period and build up concentrated flavours in the grapes.

about the harvest:
Six tons of grapes per hectare were harvested at 25ºB from two vineyards.

in the cellar : Only free run juice was used to ensure a delicate fruit component. Fermentation happened slowly in temperature controlled stainless steel tanks for 18 days at 15ºC.
