pack : Bottle **size** : 750ml **closure** : Screwcap

Low in kilojoules

low in alcohol

in the vineyard : Three vineyards from three of our grower farms were identified to be harvested early to create this Sauvignon Blanc. All three vineyards are planted in alluvial soils, with two situated on the banks of the Breede River and one on the banks of the Cogmanskloof River. We tend to allow more vigorous growing conditions for the Sauvignon Blanc and try to keep the canopy more dense in order to maintain the grassy flavours, typical of Sauvignon Blanc.
