The tangram is a Chinese geometrical puzzle consisting of five triangles, a square and a rhomboid, which can be arranged to make various forms and pictures to tell a story. To master the Tangram, one has to look at the whole puzzle to understand and form the myriad of images to be shaped.

Our Tangram is skilfully crafted from the following 7 elements; our three winemakers, earth, wind, fire, and water.

A noble blend of Sauvignon Blanc and Semillon was created. This wine was rested in French oak barrels for 10 months and is an expression of an illustrious cool climate wine.
