

Nitida Semillon 2002

“Honeycomb sweetness and waxy when it should be. An unmistakable impression of lanolin
honeycomb sweetness in the front and waxy when it should be. Look for the freshness of
pears and white melons in the glass and the unmistakable fattiness of macadamian -
not chestnuts this year. Soft cedarwood with vicious fruit make it anyone’s wine.
Where’s the pan-seared tuna and oeno - it wants parma ham and melon.
