

Nitida Calligraphy 2001

Elegant but enormously interesting "glooo-vine" in front of the fire. "Blueberries more than mulberries" balanced with "mushroom, forest" "riverbed" vegetative impression. The Nitida spicy style comes through as "ginger-bread dough" "mosbolletjies" "heather" finishing with a dose of "cracked pepper" "makes you think of "glooo-vine"™ in front of the fire".
