

Kaapzicht Skuinsberg Cinsaut 2022

Lovely dense earthy savory sun dried strawberry and bramble berry fruit nose. Full and fleshy, this is showy, bright and mouthwatering, displaying a crunchy edge, saline acidity and a fine sweet macerated red currant finish.

in the vineyard : Skuinsberg Cinsaut was planted in 1991 on the steepest slope on Kaapzicht: hence the name Skuinsberg/steephill (the steep hills have claimed quite a few tractors over the past 40 years!). The soil has low potential, weathered granite – resulting in smaller berries and lower yields. On average we get between 10-13 tons from the 2.1 ha block.

in the cellar : Grapes hand-harvested from the steepest slopes on Kaapzicht Estate planted in 1991. The grapes are crushed and destemmed and fermented with an inoculated culture of biodynamic yeast for 4 days on the skins. After completion of malo-lactic conversion, the wine is raked and transferred to 225l old barrels for ageing. After 10 months in barrel the wine is blended and bottled
