

## Spier Signature Chenin Blanc 2023

Spier Signature Chenin Blanc 2023 flows into the glass in a pale straw yellow with fine green reflections. The crisp and fruity white wine scores with aromas of guava, pear and ripe peaches. A hint of litchi rounds off the bouquet perfectly. A beautiful acidity plays around the palate and makes the balanced Spier Signature Collection Chenin Blanc a carefree pleasure.

Serve the white wine best with a salad with creamy goat cheese, with sole fillet or sushi. But your favourite pasta is also an excellent choice with Spier Signature Collection Chenin Blanc.

**in the vineyard :** The soil is a combination of alluvial, well drained and aerated soils as well as decomposed granite soils from mountain foothills.

The grapes for this wine are from selected blocks on various farms in the Coastal and Breede River region of the Western Cape. Grapes sourced from trellised and bush vines and produced 10 to 15 tons per hectare.

**about the harvest:** Grapes were hand harvested.

**in the cellar :** Cold fermentation in stainless steel tanks. The wine was left on the lees for some time.
