

Manley Private Cellar Ubuntu Pinotage 2021

The Ubuntu Pinotage 2021 is a very light-styled red wine offering characters of light red cherry, bright strawberry, fresh raspberry, and a hint of black bramble. The structure is light which gives a red wine that can be enjoyed slightly chilled even in the summer.

This Pinotage pairs well with cheese, antipasti, beef fillet, and roasted meats.

The Ubuntu Pinotage 2021 is a wine with a heartwarming purpose. It's not just a delicious beverage; it's a symbol of compassion. It was launched as part of a national fundraiser for the Steinthal Children's Home, with drawings by the children featured on the labels.

about the harvest: The winter prior to 2021 allowed good growth in the vineyards as the water table was reasonably filled. It gave the vineyards a chance to produce a nice canopy leading to phenolic ripe grapes. The 2021 vintage also offered us optimal sugars at the correct times.
