Sometimes the simplest experiences can spark the most joy: dewdrops glittering in the rising sun, the honey-sweet scent of wildflowers, a butterfly in flight. It's the beauty in the everyday that touches the heart and makes the spirit light. Light on the body, too, is this lively Chenin Blanc. Brimming with zesty citrus and tropical fruit notes, it is low in alcohol yet full in flavour.

in the cellar : Under dryland conditions, Chenin Blanc produces small berries with good flavour concentration. Harvested from a 18-year-old bush vine vineyard in the Paarl region, the grapes were picked at 22°Balling to ensure the fresh style of the wine. 30% of the wine was dealcoholised mid-fermentation to achieve a low alcohol level. No lees contact took place after fermentation.
