

Spier Seaward Sauvignon Blanc 2023

Spier Seaward Sauvignon Blanc 2023 is an elegant, bone-dry white wine. The nose displays fresh green figs, blackcurrant, and ripe tropical fruit with hints of citrus, whilst a sea-salt twist lingers on the palate.

Serve it chilled with a fresh seafood platter, a goat's cheese tartlet, salads, or roast chicken.

2023 Concours Mondial Du Sauvignon - Gold

Set sail upon calm waters with this classic Sauvignon Blanc. Made with handpicked grapes cooled by the Atlantic ocean breeze, this elegant, bone-dry wine provides aromatic tropical fireworks and freshness on the palate. Versatile and refreshing, it's a must as a summer day chilled apéritif or at a picnic with friends.

in the vineyard : The vines are grown along the Atlantic coastline having an average age of 15 years. Enjoying perfect conditions with prevailing sea breezes produces a more refined style of Sauvignon Blanc.

about the harvest: For the 2023 vintage, the grapes were harvested at optimum ripeness (between 21° and 23° Balling) in the early morning.

in the cellar : Skin contact was allowed for four hours at 10°C, and only gravity-drained free-run juice was used for temperature-controlled fermentation in stainless-steel tanks. The wine matured on its lees for four months. The result is a wine with a wonderful cleansing purity about it.
