in the vineyard : This old vine Chenin blanc is a blend of our oldest vineyards on the property. The vineyards were planted in 1974 and 1979 respectively. Grapes are hand harvested and cooled overnight.

in the cellar : Fermentation occurred spontaneously in 300L oak and foudré. The wine was aged in older oak, on the lees, for 10 months. The wine received its first dose of SO₂, once racked out of barrel, prior to bottling.
