

Get Lost Rose 2023

Charming raspberry and prune flavours on the nose with ample fruit on the palate. A well-balanced wine with a crisp clean finish.

Enjoy with lighter meals like pasta, pizza, smoked salmon, and salads.

type : Rose **style** : Dry **taste** : Fruity
pack : Bottle **size** : 750ml **closure** : Screwcap

Nothing is going to change unless you do - Get Lost & find that future.

in the vineyard : The vineyards are found in a variation in meso-climates, exposed hills, and sheltered valleys, with Alluvial soils. Grapes are picked from a selection of these different wards in the Western Cape.

about the harvest: In the months leading to the 2023 harvest, the Cape winelands had a below average winter rainfall. The lower rainfall combined with cooler summer conditions from November caused the grape bunches to have smaller berries with concentrated sugar levels, tannin concentration and more elevated phenolic compounds. Phenolic compounds are natural chemicals found in plants, including fruits and vegetables. They have antioxidant properties and can provide health benefits. In wine, they affect the taste, colour, and mouthfeel. During late February we had heavy rainfall, which gave some relieve to our vineyards where we do not use irrigation. The 2023 vintage can be remembered as a vintage that led to exiting and complex wines.

in the cellar : Cold skin maceration was carried out for six hours, the free run juice was then fermented in stainless steel tanks for two weeks at 12°C. The wine was left on the gross lees where batonage was applied for a week. The wine was thereafter racked and left on the lees.
