

## Diemersdal Sauvignon Rosé 2024

Delicate, fruity and lively, with distinctive Sauvignon Blanc aromas of passion fruit and lime, alongside hints of the cherry and strawberry flavours of Cabernet Sauvignon. A balanced palate with crisp acidity and fruity undertones.

Serve well chilled on any occasion. Great with cheese platters.

This wine represents the meeting of the parent and the sibling, namely Sauvignon Blanc, which is one of the two varieties from which Cabernet Sauvignon was created. A combination of 97% Sauvignon Blanc and 3% fresh Cabernet Sauvignon, this unique rosé wine combines firm berry-fruit with a brisk freshness.

**in the vineyard** : Gentle slopes exposed to the micro-climate of the Atlantic Ocean results in the vineyards being influenced by the cool air-flows and morning mists so typical of a maritime climate. In summer a firm south-easter wind fans the vines ensuring temperate and sunny ripening conditions. Along with dryland farming on soils of decomposed granite with a high clay content, the vines offer intensely flavoured fruit, resulting in wines of elegance, character and structure

**in the cellar** : Post Fermentation lees contact for 1 month, stirred up once a week to enhance mouth feel and concentration. Blended 3 weeks before bottling and stabilization.

Traditional reductive Sauvignon Blanc Winemaking. Three weeks before bottling, 3% fresh Cabernet Sauvignon was added to the Sauvignon Blanc until the perfect rosy coral colour was matched.
