Krone Borealis 1998

"Night Wines, Light Years Aheadâ„¢"
Twee Jonge Gezellen Estate is home to Krone Borealis, a sparkling wine meticulously made in the methode Cap Classique from classical grape varieties and undergoing a lengthy maturation period on the lees in the first underground sparkling wine cellars in South Africa. Krone Borealis is biologically stable, a true celebration of the vintner's art.

type : Sparkling **style :** Dry **body :** Full
pack : Bottle

Platter Wine Guide - 4 Stars

in the cellar : This long lees contact, leading to autolysis of the yeast cells, enriches the wine beneficially resulting in the sought-after complexity. During the second fermentation in the bottle, the wine becomes very reductive and loaded with negative ions, a phenomenon which has a postive and uplifting effect on human beings.
