

Zevenwacht Z Collection Reserve 2022

A Complex wine showing intense cassis, wet tobacco, blackberry and liquorice with undertones of graphite and allspice. The palate is full bodied with an elegant structure that will allow the wine to develop well over the next decade.

Excellent with fillet mignon and Bordelaise sauce or rib-eye on the bone. Great with rich meaty stews like oxtail or slow cooked lamb shanks.

variety : Cabernet Sauvignon | 86% Cabernet Sauvignon, 14% Petit Verdot

winery : Zevenwacht Wine Estate

Zevenwacht Wine Estate, situated on the beautiful Stellenbosch Wine Route is a modern wine farm with a 300 year history. Owned and managed by the Johnson Family, the Estate has a strong commitment to historic and cultural preservation as well as conservation of the surrounding indigenous environment. Two prime farming locations provide the grapes for the Zevenwacht winery. The home vineyard on the Estate's panoramic 450 hectare maritime influenced property, supplies the majority of the grapes. The farm Zevenrivieren, situated at the crest of the Helshoogte Pass, provides winemaker, Hagen Viljoen, with a boutique selection of grapes that add to the fascinating variety of the wines.

in the vineyard : The heart of this blend come from a Cabernet Sauvignon Clone 46 vineyard, situated on a south westerly facing slope 150 - 200m above sea level, playing a big role in the aromatic potential and fruit density on the palate. The Petit Verdot come from Zevenrivieren in the Banghoek Valley and is grown in rocky clay spoils that adds mid palate weight and tannic finesse to the blend. The different sites each offer an element to the wine that adds complexity and definition to the wine.

in the cellar : The components were sorted and whole berry vinified in open top fermenters with regular pump overs to ensure optimal extraction. The components for this blend were aged separately in 240L French Oak barrels for 18 months with 50% new oak.
