

Mellasat Chardonnay 2023

"A classic barrel fermented wine made from this noble variety. Further maturation in French oak barrels for eleven months together with batonnage (lees stirring) gives this wine a suppleness on the palate balanced with citrus zest and almondine brioche. This wine can be enjoyed now or aged further if required."

Oysters, crayfish, smoked salmon and chicken salad.

in the cellar :

The grapes were pressed by pneumatic bag press and juice settlement undertaken for 2 days. The must was then transferred to 300li French oak barrels. Yeast (Laffort VL3) was inoculated then fermented for approximately 20 days at an average temperature of 17 degrees C. Malolactic fermentation was partially encouraged in barrel after the alcoholic fermentation and the lees stirred (batonnage). A bentonite and PVPP fining was used to protein stabilize and clarify the wine prior to bottling. No filtering of the wine was undertaken except at bottling when a medium filtration (split AF70/110) was undertaken.
