

Vriesenhof Cabernet Sauvignon 2023

Youthful, bright red in appearance. Varietal Cabernet Sauvignon notes of cassis, red currant and liquorice marry well with fine oak aromas to provide a complex nose. The densely structured palate offers compact, chalky tannins and classic Cabernet Sauvignon fruit flavours. Ripe fruit combined with judicious use of barrel maturation provides complexity and length to this fine example of Stellenbosch Cabernet Sauvignon.

A wine that will compliment every occasion. Will pair well with meat dishes and hearty winter stews.
