ageing : Ready to be enjoyed now.

An easy-drinking and fruit-driven wine style for the aspiring wine drinker. The wine style bridges the gap between semi-sweet and dry wine resulting in wine that can be enjoyed by young and old alike.

in the vineyard : Combinations of trellised and bush vines were used from a selection of regions in the Western Cape. The weather during the ripening season was sunny and dry while the Atlantic Ocean had a cooling effect. The difference in region, age, soil and harvest date for the grapes produces a fruity yet complex wine.
