

## Barton Vineyards Merlot Rosé 2025

Delicately hued with a soft blush pink colour, this Merlot Rosé is inviting from the first glance. The nose is fragrant and charming, offering vibrant aromas of fresh strawberries and cream, accented by subtle hints of ripe cherry.

On the palate, the wine is silky and smooth, with a velvety texture that enhances its generous fruit character. Flavors of strawberries and cream unfold beautifully, balanced by a whisper of red berries that linger on the finish, adding brightness and lift.

Elegant, soft, and effortlessly drinkable, this rosé is perfect for warm afternoons, picnics, or as an aperitif

**type :** Rose   **style :** Dry   **body :** Medium

**pack :** Bottle   **size :** 750ml   **closure :** Screwcap

**about the harvest:** These Merlot grapes were hand-harvested and kept overnight in our cold room.

### in the cellar :

The grapes were whole bunch pressed, and the juice was carefully watched until the desired colour was achieved. It was then cold settled and racked off from the gross lees. It was then fermented in a stainless steel tank on cherry oak chips, which adds to the structure of the wine.
