

## Barton Vineyards Wooded Sauvignon Blanc 2025

This wooded Sauvignon Blanc presents a refined and expressive nose, offering subtle flinty minerality alongside aromas of ripe peach and classic gooseberry. The oak influence is gentle and integrated, adding depth without overshadowing the fruit. On the palate, the wine shows generous flavours of gooseberry and stone-ripened peach, creating a harmonious balance between vibrancy and richness. The texture is smooth with a lingering fruit-driven finish. A well-balanced line of acidity brings freshness and lift, ensuring the wine remains lively and beautifully composed from start to finish.
