

Mulderbosch Chardonnay 1996

A beautiful Chardonnay, produced from grapes grown on wind-cooled Eastern slope vineyards. This wine shows layers of gently ripened pineapple, grapefruit, hints of peach flavors interwoven with rich, generous oak. It is elegant, mineral-rich and altogether a wonderfully balanced mouthful.

variety: Chardonnay | Chardonnaywinery: Mulderbosch Vineyardswinemaker: Mike Dobrovic

wine of origin :

analysis: alc:13.32 % vol

type: White

ageing: Cellar for 3 to 7 years.
