type : White **style** : Dry **body** : Light **taste** : Fruity

pack : Bottle **size** : 750ml **closure** : Screwcap

Softly-styled with fresh and fruity flavours, celebrating a journey with the love of winemaking at heart.

in the vineyard : The grapes were sourced from vineyards situated across the Western Cape. The viticulturist works hand-in-hand with the grape growers in managing each vineyard block to ensure the best quality fruit for this wine. The different microclimates and soil types associated with each vineyard add to the complexity of the eventual wine. The vines are trellised on a four-wire system and received supplementary irrigation during the growing season

about the harvest: The grapes were harvested by hand and machine at 21o to 22° Balling during January and February

in the cellar : The fruit was crushed and gently pressed to extract excellent quality juice. After clarification, the juice was fermented in temperature-controlled stainless-steel tanks at 15°C for two weeks. The vinification process was strictly controlled to preserve the characteristic fruit flavours. The wine was then blended, stabilised and bottled.
