Pat's Garden Merlot has always been a blend of predominantly Merlot with the addition of about 8%-12% Cabernet Franc. This 'blend' conveniently fell within the legal framework for a wine labelled as a single varietal wine ... 'all wine may be blended up to a maximum of 15%'.

We thought, why is the magic number 15%? So, we set about doing some exploration using 4 of the traditional Bordeaux grapes: Merlot, Cabernet Franc, Petit Verdot and Cabernet Sauvignon...The result? We present the new Pat's Garden Reserve .A Bordeaux-inspired blend, offering the best of the 5 noble varieties of Bordeaux in one delicious bottle.

in the vineyard : Region: Stellenbosch

Soil: Duplex with some clay - Kroonstad

Locality: South-south-west

about the harvest: Hand harvested in individual parcels and selected for quality to get the ripest possible, balanced Merlot from our very finest soils, influenced by the cool S/E wind during the ripening season.

Yield: 8 tons per hectare

in the cellar : The wine was matured in selected French oak barrels for 12 months and blended with a small fraction of Cabernet Franc for structure and complexity prior to bottling.
