

Beyerskloof Rebellion Pinotage 2024

Lovely, black and sweet fruit flavours upon entry with delicate oak aromas from barrel maturation. A wine with great balance, sweet core, and a juicy aftertaste.

This wine will pair well with spicy curries, tacos, and Korean BBQ.

ageing : Ready to enjoy upon release or drink in 5-8 years.

Pinotage, as an indigenous variety in South Africa, is celebrated with this masterfully crafted wine made exclusively for this range. Made with uncompromising quality, this wine embodies elegance, sophistication, and the luxury of South Africa's most iconic varietal.

in the vineyard : We had an excellent winter with the ideal conditions for the vines during their rest period. Budding started end of August with a lot of rain, which created high disease pressure. In October, we had strong winds that continued until mid-January. The wind had a positive effect on the disease pressure but had a negative effect on flowering, and in the end our yield.

Harvest started 7 days earlier at the end of January, due to a few heat waves in January. Weather conditions were great during harvest, and we finished early, on 13 March. Quality of the grapes looked excellent even though we are down 20% on our long-term average production. In general, I am very happy with the vintage, although I would have loved a little bit more grapes!

in the cellar : 4 days in open fermenters with the cap punched through by hand every two hours. Fermentation temperature was between 25–28°C. After malolactic fermentation, the wine matured in 100% third fill French oak barrels for 12 months.
