Chardonnay... you are an agitator, a limelight hugging star of the stage, a sexy rogue... You know-it-all while flexing that salute-to-the-sun. You are a jet setter, a mystery, an A-lister, that queue-jumper we can't help smiling at... You rock, you ballroom, you disco. You are that all-night party my mother warned me about. You are a secret agent, an irresistible tease, a natural beauty, a homespun hero. You prove the cynics wrong, you create traditions whenever you smile, you work hard, you play hard. You are ageless. I love you
