Susara is our flagship white blend; a textured, contemplative wine that reflects coastal intensity and mountain restraint. It is named after the Susara protea found around the farm and captures the purest expression of our sea-facing slopes.

in the cellar : Barrel fermented and slowly matured.

Each varietal was whole-bunch pressed and fermented naturally in large Austrian Oak (20% new). The wine was aged on fine lees for 14 months, yielding layered texture, subtle spice and a refined oxidative lift.
