

## Leopards Leap Pinotage 2025

Fruity and inviting, with ripe raspberry and plum flavours taking the lead. Subtle nuances of vanilla and oak spice add depth, while a gentle whisper of clove rounds out the aromatic profile, true to classic South African Pinotage character.

Elegant and well-balanced, with juicy red berries bursting through on entry and carrying seamlessly from nose to palate. Sweet, soft tannins lend a smooth, approachable texture, while subtle clove spice lingers alongside the fruit. The finish is soft and pleasantly long, leaving a satisfying aftertaste that invites another sip.

A versatile, sociable wine, for enjoyment at any occasion - with friends and family during a braai, a burger or pizza night, leisurely sipping while watching movies at home. Or simply to celebrate a successful day.
