

Spier Seaward Sauvignon Blanc 2025

Spier Seaward Sauvignon Blanc 2025 is a refreshing dry white wine. The nose displays fresh green fig, blackcurrant, and ripe tropical fruit with hints of citrus. A sea-salt twist lingers on the palate.

Serve it chilled with a fresh seafood, salads, or roast chicken.

type : White **style :** Dry **body :** Light **taste :** Fruity **vegetarian**

pack : Bottle **size :** 750ml **closure :** Screwcap

2026 Mundus Vini Spring Tasting - Silver

Set sail upon calm waters with this classic Sauvignon Blanc. Made with handpicked grapes cooled by the Atlantic ocean breeze, this elegant, bone-dry wine provides aromatic tropical fireworks and freshness on the palate. Versatile and refreshing, it's a must as a summer day chilled apéritif or at a picnic with friends.

in the vineyard : The vines are grown along the Atlantic coastline, having an average age of 15 years. Enjoying perfect conditions with prevailing sea breezes produces a more refined style of Sauvignon Blanc.

about the harvest: For the 2025 vintage, the grapes were harvested at optimum ripeness (between 22° and 23.4° Balling) in the early morning.

in the cellar : Skin contact was allowed for between four to ten hours at 10°C, and only gravity-drained free-run juice was used for temperature-controlled fermentation in stainless-steel tanks. The wine matured on the lees for nine months, resulting in a wine with a well-balanced mouthfeel, linear purity of fruit and a saline finish.
