Zevenwacht Z Collection Syrah 2024

The dark and brooding Zevenwacht Z Collection Syrah 2024's nose shows blackberries, plum and cranberry fruit with white pepper and cinnamon spice. The palate is dense and layered with succulent dark berries and a fine peppery tannin that lingers on the finish.

Pairs beautifully with venison, so try dishes like a pepper-crusted kudu fillet or slow-roasted springbok shanks.

Zevenwacht Wine Estate, situated on the beautiful Stellenbosch Wine Route is a modern wine farm with a 300 year history. Owned and managed by the Johnson Family, the Estate has a strong commitment to historic and cultural preservation as well as conservation of the surrounding indigenous environment. Two prime farming locations provide the grapes for the Zevenwacht winery. The home vineyard on the Estate's panoramic 450 hectare maritime influenced property, supplies the majority of the grapes. The farm Zevenrivieren, situated at the crest of the Helshoogte Pass, provides winemaker, Hagen Viljoen, with a boutique selection of grapes that add to the fascinating variety of the wines.

in the vineyard : South-westerly facing slopes ranging in altitude from 230-250m above sea level on decomposed granite soils. The vines are trellised on a seven-wire hedge system and we yield approximately eight tons per hectare.

about the harvest: The grapes were hand harvested at 23.5 Balling to capture vibrant fruit expression and spice.

in the cellar : 50% of the wine was fermented under carbonic maceration and the remainder was done with varying portions of whole cluster in open top fermenters. The wine was matured for 12 months in seasoned 1000L foudres.
