Our wines are born in the Olifants River Valley, where carefully selected vineyards thrive between river and desert. Long days of sunshine, cooling river influence, and mineral-rich soils create fruit with clarity, balance, and depth. The result is wines with substance and soul - unpretentious, balanced and distinctly ours.

The label shows the vineyards and the Gifberg mountain as well as the Historical Cellar building. Bringing together the history of winemaking in the Olifants River region and the role Klawer Wine Cellars plays as a producer in the community.
