Our wines are born in the Olifants River Valley, where carefully selected vineyards thrive between river and desert. Long days of sunshine, cooling river influence and mineral rich soils create fruit with clarity, balance and depth. The result is wines with substance and soul - unpretentious, balanced and distinctly ours.

in the vineyard : The grapes for this Sauvignon Blanc come from the Trawal area of the West Coast Wine Region and the 15 year old vineyards produced about 12 tonnes per hectare.

about the harvest: The grapes were picked on January 6.
Yield: About 12ton/ha

in the cellar : The wine was bottled on the 3rd of February.
