

Simonsig Mustique 2000

The colour has a bright clear yellow/green appearance. Inviting tropical fruits with a touch of summer melons and litchis on the bouquet. The muscat grape flavour on the taste is balanced with a hint of sweetness.

Serve chilled. Enjoy this wine anytime or with hot spicy dishes

ageing : It develops more complexity with a little bottle age.

in the vineyard : A relatively warm winter led to retarded budding during the spring of 1999. The winter brought 21% less rain than the previous year and virtually no rain fell during the hottest summer in many years. Supplementary irrigation was crucial to grow quality grapes. The vintage was characterised by very high sugar levels and rich full bodied wines.
