

## KWV Chardonnay 2001

A subtly-oaked Chardonnay to preserve the rich, focused tropical fruit and citrus flavours. The components merge into a complexity that endures long after the satin-smooth finish.

**variety :** Chardonnay | Chardonnay

**winery :** KWV Classic Collection

**winemaker :**

**wine of origin :** Paarl

**analysis :** alc : 12.5 % vol   rs : 3.8 g/l   pH : 3.4   ta : 5.8 g/l

**in the vineyard :** Climate: Mediterranean climate with moderate summers and cold rainy winters. Rainfall of 600mm annually.

Soil: Gravel soils - rich alluvial soils along the river.

**in the cellar :** Fermented and matured in French oak for 3 months. Batonnaged once every 2 weeks, before being stabilised and bottled.
