winemaker :

wine of origin : Robertson

analysis : alc : 12.5 % vol rs : 4.0 g/l pH : 3.4 ta : 6.23 g/l

type : White

in the cellar : Robertson Winery is the biggest producer of Sauvignon Blanc in South Africa. This grape was extensively planted in the Cape from the beginning of the 20th Century. Plantings increased annually, especially in the Breede River Valley. 50% of the grapes are harvested at night between 3 and 9 am to strengthen the typical character and aromas.
