

Nederburg Cabernet Sauvignon 2001

This wine has a deep garnet colour, youthful red tint and the characteristics of cool area grapes with Eucalyptus leave, blue/wild berries, delicate chocolate and mocha texture. The wine is typical New World with very upfront fruit. On the palate are showing soft tannins, well balanced with wood vanilla. The Nederburg Cabernet Sauvignon 2001 vintage is a generous, well-balanced wine where youth and elegant ripe fruit are well blended with gentle maturation flavours. The wine goes well with paté, mature cheese, red meat steak, full-flavoured meat dishes such as beef stroganoff, winter stews, roast leg of lamb and roast venison.
