

Brandvlei Sauvignon Blanc 2003

A classic, delicate, fruit driven wine.

This wine is traditionally one of Brandvlei's top sellers. It is a delicate wine with hints of all the well-known flavours of this cultivar, like asparagus, green peppers, green and ripe fig, guava and grassiness.

in the vineyard : The vineyards of this cultivar are managed with care and the winemaking techniques will comply to ensure that the optimum quality will be achieved. During the ripening phase each vineyard will be monitored on a daily base because the aroma levels of this cultivar can change very quickly. Monitoring will determine the correct date for harvest.

about the harvest: The grapes are harvested in the mornings only to ensure that the grape aroma will be sustained.
