**ageing :** This wine will benefit with further maturation.

**in the vineyard :** Grapes for this wine were harvested from north-easterly facing vineyard blocks on the estate located 200m to 350m above seal level. The vineyards are between the ages of 9 and 28 years old and are cultivated under dry land conditions.

**about the harvest:** Grapes were hand-picked at 24° Balling and hand-sorted.

**in the cellar :** Once the grapes had been crushed, the mash was cooled and fermentation took place over 8 days between 28°C. Upon completion of malolactic fermentation the wine was matured in 300-litre French oak barrels for 18 months.
