**about the harvest**: The grapes were harvested from 25 year old Bush vines.

**in the cellar** : Destemming and crushing into open wood fermentors was followed by an 8 day cold soak at 14Â°C. During fermentation the must was punched down by hand. It was left on the lees after malolactic fermentation for 3 months with batonage once a month. The wine softened and gained complexity in second and third fill barrels for 6 months.
